On behalf of the staff and board of directors of Operation First Response, Inc., we wish to thank you for your generous support of this organization and our soldiers. We could not meet the needs of our Heroes and their families without the support of wonderful Americans like you. The soldier's sacrifices can/should never be forgotten; together we will see that they are heard, honored and respected.

We thank you from the bottom of our hearts!

Donation: Defending Freedom wristbands

Sincerely,

Peggy Baker
